Pulse Secure Client

1. Click **Thin Client Software Installer** from the desktop.brent.gov.uk page (available after logging in).

2. Download the client from the downloads page

		Applications	Preferences	Downloads	
The downloads listed below are available in addition to the vWorkspace Connector downloads.					
Network Test					
Windows Client					
MAC Client					
Pulse Secure Windows 32-bit Client					
Pulse Secure Windows 64-bit Client					
Pulse Secure MAC Client					

To check if you are running a 32 or 64 bit Windows client:

- click the Windows and X key together
- choose System
- See if you have a 32 or 64 bit system type
- 3. After selecting the correct client click Run
- 4. Click next

5. Click install (need to have admin permissions)
