

Chief Executive

Circa £180,000

We are proud of our tradition in Lewisham of putting our people first. Our vibrant inner-London borough is built on a foundation of fairness, equality and putting our community at the heart of everything we do.

Since the early 1970s, we have fostered and developed a proud tradition of working alongside residents, communities, voluntary and faith groups. We call it the Lewisham Way and it's part of what makes Lewisham different.

Lewisham is the second fastest-growing borough in London, home to over 306,000 residents from more than 71 nationalities.

We have a new vision. We will ensure that every resident has the opportunity to live their best life, and have agreed on practical, deliverable policies for the next four years through our new Corporate Strategy.

To help us achieve our vision, we are looking for an exceptional leader who is as excited about changing the lives of our residents as we are. Someone who is committed and capable of delivering against our corporate priorities to secure the best possible outcomes for our diverse communities. Just as important, are the personal qualities our new Chief Executive will bring; we are looking for a team player whose natural style is to listen, involve, and collaborate with others to achieve exceptional results.
