Celebrate Halloween 2014

Have a frighteningly fun time on Friday 31 October with the ever-popular Halloween events on Sydenham Road. All those who dare should don their costumes and brave the Halloween Trail where children wearing fancy dress can pick up treats from the many participating traders. Children's fancy dress will then be judged at the Sydenham Centre. It all kicks off late afternoon just as dusk falls on SE26! Watch out for details and pick up trail maps in shops at the end of October.

Zanzibar licence extension goes to appeal

The Zanzibar Night Club (at 291 Kirkdale – between LA Fitness and the petrol station) is appealing Lewisham's decision to curtail its licence due to complaints from neighbours and police about noise and traffic problems. The decision means that the club would shut at 2am rather than its current 5am. The Appeal hearing will be at Bromley Magistrate's Court, 1 London Rd, Bromley BR1 1RA from 16-19 September. The Council is asking concerned members of the public to attend.

Open Garden events

Sydenham Garden is holding its Autumn Fair on Saturday September 27, from 11am-3pm. With sounds by the Frockettes, apple juicing, children's activities, and delicious food there's something for everyone! Sydenham Garden Resource Centre, 28a Wynell Road SE23 2LW; entrance £1 (50p concs). Over at Kent House Road, the Leisure Gardens Open Day is on Sunday September 7, 11am-3pm. Lewisham's Big Budget Challenge

The council needs to cut a further £85 million from its budget to meet 2014-18 spending targets. What savings would you make if you were in charge?

What would you do if you had to cut out £1 of every £3 you spent? That's the challenge facing Lewisham's Mayor and councillors as they struggle to find further savings worth £85 million over the next three years in the face of reduced government funding. The Lewisham Big Budget Challenge is your chance to have a go at balancing the Council's books. Find out what the Council currently spends, where the money comes from and what services it provides for the community, and choose your own way to trim the budget using the online budget simulator at: www.lewisham.gov.uk/bigbudgetchallenge

Lewisham's Mayor and councillors will be making decisions over the coming months and

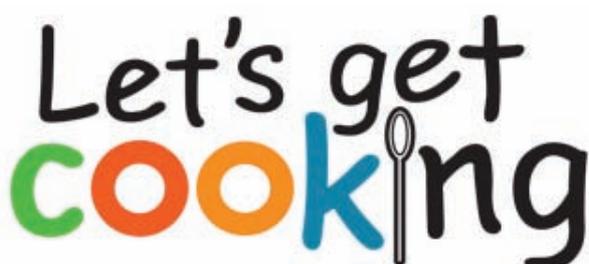

they are keen to know where you would continue spending money and where you think money could be saved. The September assembly meeting will introduce the Lewisham Big Budget Challenge, explain how to get involved and answer your questions about the Council's budget.
