

Dear resident,

This year's People's Day festival is happening on Saturday 7 July from 12 noon-8pm in Mountsfield Park, Catford SE6 1AN. Admission is FREE.

ESKA, Chainska Brassika and Unit 137 Sound System head up a programme including over 1,000 local and international performers on seven magical stages. There will also be a fun-packed family area, cabaret, crafts, funfair and great food and drink. For regular updates:

- sign up for our enewsletter at www.lewisham.gov.uk/peoplesday
- follow us on Twitter @peoplesday
- follow us on Facebook @peoplesday.

Please read the information below as it may affect you directly as a local resident. Many thanks in advance for your continued cooperation.

Please email events@continentaldrifts.co.uk if you have any queries.

No dogs please

This is a condition of entry to Mountsfield Park throughout the whole day on 7 July. Morning dog walking in the park will not be permitted. We apologise for any inconvenience this may cause. Please call 020 8314 7321 if you have any questions about this.

Park closure time

Mountsfield Park will be closed to the public after 9pm on Saturday 7 July. This is to allow us to clear the area swiftly and safely. After 7.30pm the only gate allowing entry to the site is located in George Lane.

Unlicensed activities

In order to minimise disturbance for residents, the Council discourages food and drink stalls, BBQs and entertainment in front gardens or on the street. Any unlicensed activities lacking permissions or causing a nuisance may result in legal action.

Road closures and parking suspensions

The map overleaf shows the majority of the roads that will be affected by closures and parking suspensions. Designes Drive will also be closed on the day of the event. The closures include a limited number of bays being suspended on George Lane from Monday 2 July to Monday 9 July, to allow delivery vehicles to turn into the park without posing a risk to parked cars.

Road closures and parking suspensions will start from 9am on Saturday 7 July, except for a number of suspensions on George Lane as detailed above.

We would like to offer residents of Stainton Road the option to move your car into our on-site car park as the road will be busy with vehicles and pedestrians throughout the day and parking around the immediate vicinity of entrances to the park (including George Lane) will be suspended. If you wish to use the onsite car park please contact Continental Drifts (Lewisham People's Day's production company) on 020 8365 9555 or events@continentaldrifts.co.uk. Please be ready to give your name, postal address and vehicle registration number.

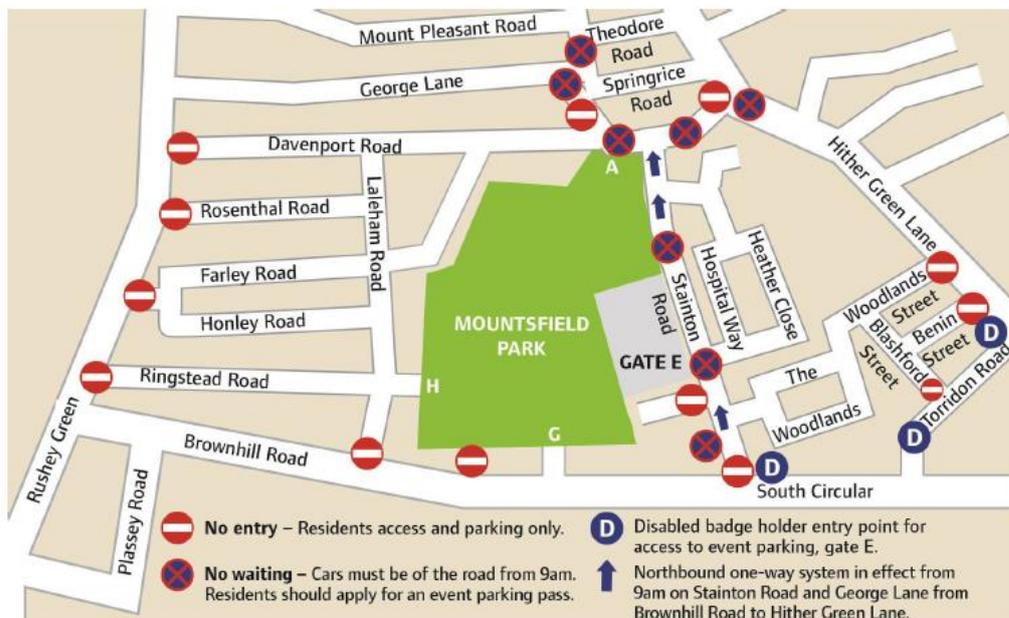

Permits will be available for collection from Thursday 5 July at the production office in Mountsfield Park. Please bring a valid proof of address e.g. a utility bill. If you would like one posted to you, please make a request at least two weeks in advance. Permits will be valid between 6pm and 10pm on Friday 6 July and from 7am on Saturday 7 July. This requirement only applies to residents of Stainton Road.

If you live in an area which allows resident access and parking, you will need to show proof of where you live to gain access during the closures. This proof could be a Zone L parking permit, driver's licence with correct address, council tax or utility bill, NHS ID for those working in Hospital Lane.

Lewisham Council will issue parking tickets and fines to those parking illegally. This is part of a continued plan to encourage attendees to use public transport and bicycles. Traffic wardens will work to prevent visitors from parking illegally.

Road closures and parking suspensions 9am–9.30pm 7 July 2018

This map does not show all roads – Desvignes Drive and Britton Close (off Brownhill Road) are also closed on the day of the event. Parking suspensions at Gate A on George Lane are only in effect from 9am on Monday 2 July to 9.30pm on Monday 9 July.

We hope to see you at People's Day on Saturday 7 July.

Best wishes, Mel Wilds, Event Producer, Continental Drifts on behalf of Lewisham Council
