Contact: Admissions and Appeals Team, Third Floor, Laurence House, Catford SE6 4RU.

Tel: 020 8314 8282 (lines are open Monday–Friday, 9am–12 noon). Email: schooladmissions@lewisham.gov.uk

Primary school starting age

Children who were born between 1 September 2012 and 31 August 2013 are eligible to start full time in the Reception class in September 2017. Legally, children must receive full-time education from the beginning of the school term following their fifth birthday.

Deciding which primary schools to apply for

You can apply for up to six mainstream state primary schools which may be within Lewisham or in authorities outside the borough. As not every child can be offered their preferred school you are advised to research a range of schools including those which are closest to your home address before submitting your application.

We strongly recommend you look at your nearest schools (whether they are faith or non-faith schools) as most schools in Lewisham are expected to be oversubscribed. We also advise you to use all six preferences and not restrict your application. A list of the primary schools in the borough, including contact details, age ranges and number of places available is on page 13.

To find out more about primary schools in the borough and see which are nearest to your home, visit www.lewisham.gov.uk/primaryschools.

Visiting schools

Before deciding which schools you wish to apply for, we also recommend that you arrange to visit the school to meet the staff, see the facilities and opportunities available.

Headteachers will be pleased to show you around the school and answer your questions. Please contact the school(s) direct to arrange your visit.

Admissions criteria

When a school is 'oversubscribed', ie they receive more applications than there are places available, the school's admissions criteria is applied to decide which children qualify for a place. It is important that you familiarise yourself with the admissions criteria for the schools you wish to apply for to gauge whether your child is likely to qualify for a place. Most primary schools in Lewisham and neighbouring boroughs are expected to receive more applications than there are places available. Limiting the number of schools you list on your application can limit the chance of your receiving an offer from one of your preferences of school. Do not include fee paying (independent) schools or special needs schools on your application as they are not part of the co-ordinated admissions arrangements.

Siblings

Most schools will give priority to children whose older brother or sister (sibling) attends the school. Please ensure you add the name, date of birth, gender and home address of any older child you have attending the school you are applying for. Failure to do so may result in your younger child not being offered a place at your preference school and the school may not be able to accommodate your child later in the admissions process.

Children of staff

A small number of schools will give priority to children whose parent is employed at the school. Please read the school's definition of 'children of staff' to ensure that if your child qualifies under this criterion you complete the relevant information on the online application.

Admissions policy for community schools

The community schools in the borough use the same admissions criteria (see below). Voluntary-aided faith schools, foundation schools, free schools and academies have their own criteria for deciding which children to admit. The full admissions policy, annual intake and other information about each of these schools in Lewisham can be found on the school's own websites. See page 13 for details of primary schools in the borough.

When a community school in Lewisham is oversubscribed for the reception class in September 2017 the following criteria will be used and places offered to:

1. A looked after child or a child who was previously looked after but immediately after being looked after became subject to an adoption order (in accordance with the Children Act 2002), child arrangements, or special guardianship order (sections 8 or 14A of the Children Act 1989).

A looked after child is a child who is:

- a) in the care of a local authority (in accordance with Section 22 of the Children Act 1989), or
- b) being provided with accommodation by a local authority in the exercise of their social services functions (Section 22(1) of the Children Act 1989).

Confirmation of a child's LAC status must be supplied by the allocated social worker or foster carer with the application along with a copy of the Adoption Order, Care Order or Special Guardianship Order.

Children who were adopted from overseas do not qualify under this criterion.

2. In exceptional circumstances there is discretion to admit a child on the grounds of their or their family's severe medical or social need for that particular school and who would not otherwise qualify for admission. The application must be supported by a letter from a hospital consultant, social worker or similar professional, setting out the reasons why the school is the only one to meet the child's needs, before an admission decision is made. The admission decision will be considered in consultation with a panel of teaching and medical professionals. The medical professional provides advice on applications made under medical conditions and teaching professionals advise on applications made for social or special reasons. Supporting evidence must be provided with the application and by the closing date for applications.

3. Children whose brother or sister is on roll of the school on the closing date for applications and is expected to be on the roll of the school (or of the junior school in the case of separate infant and junior schools – this applies to children attending Sandhurst Infant and Junior Schools, Stillness Infant and Junior Schools and Torridon Infant and Junior Schools), at the intended date of admission. Children in Year 6 who will have transferred to secondary school by the time the younger child is admitted do not confer sibling priority. If the school is over-subscribed entirely with siblings, priority will be given to:

- i) those with an exceptional social or medical need (see 2 above) and then to
- ii) those who are permanently living nearest to the school (see 4 below).

Siblings include all blood or adoptive siblings, half-siblings, foster siblings of Looked After Children and step siblings. Siblings must all live at the same address as the child applying. Proof of the sibling relationship may be required.

4. Children living nearest to the school. All distances will be measured to a central nodal point in the school premises, using digitised mapping software of the area, from a nodal point in the applicant's permanent home address. If more than one applicant lives in a multi-occupancy building (e.g. flats) priority will be given to the applicant whose door number is the lowest numerically and/or alphabetically.

Children who attend a nursery class in a primary school

frequently transfer to the main school; however there is no automatic transfer and children attending the nursery are not given priority. Parents of nursery children who permanently live in Lewisham must apply for a reception place by participating in the coordinated reception scheme by making an online application. Applications from parents of children on the roll of the nursery will be considered with all other applicants.

Twins, triplets and other multiple births

Where twins, triplets or children from other multiple births qualify for the last school place to be allocated Lewisham will admit all of the qualifying siblings in excess of the published admissions limit and they will be considered as 'excepted pupils'.

Tie break

On the rare occasion where two or more identical applicants qualify for the last available place, lots will be drawn to decide which qualifying child is offered the place.

Waiting lists

In accordance with the pan London agreement, and to ensure Lewisham meets its duty to continue to co-ordinate admissions beyond offer date and comply with the parents' highest possible preference, Lewisham will ensure that waiting lists do not contain lower ranked preferences except where it (or the home LA) has agreed to a parental request to change the order of preferences. In such cases, where there is a parental request to change the order of preferences during the admissions round, the original application, including any offer made under co-ordination, will be withdrawn and the applicant will be required to re-apply.

Waiting lists for Lewisham's community schools will include those who have moved to the area since the national closing date and were therefore unable to make an 'on-time' application. Waiting lists will be held in criteria order and children's names may go up as well as down a list as new applicants are added.

The reception co-ordinated scheme continues until the end of the summer term 2017. Applications received for reception class beyond the end of the summer term 2017 will be considered as an In Year applicant.

Waiting lists will be held for the first term of the reception year only. Those with a continuing interest in a place at a school beyond this time will be required to make an in-year application.

Deferring a place

If your child is offered a place to start in the reception class starting in September 2017 you may defer taking the place until later in the same school year.

Alternatively your child may attend school part-time until they reach compulsory school age (the term following their 5th birthday).

Before you decide whether you wish to defer your child's admission or request that they attend the reception class part-time you are advised to speak to the headteacher of the school you have been offered and discuss what support is available to help your child participate fully in school life. Arrangements for a deferred admission or part-time placement should be made direct with the headteacher of the school concerned. In these circumstances the place offered will be held for your child during the academic year.

Delayed entry to reception class for summer born children

In accordance with the School Admissions Code 2014 the parent/carer of a summer-born child (those born between 1 April and 31 August), may request that their child is admitted to the reception class the following academic year and be educated 'out of cohort'. An application for a delayed admission should be accompanied with a formal request and include information detailing why a delayed admission it is in the child's best interests. For community schools in the borough the decision whether to agree to a parent's request is made by Lewisham Council. For faith schools, free schools, foundation schools and academies and schools outside the borough, the decision is taken by the governing body for the school. Until the Admissions Code is revised, the Council will not be making any changes to our current guidance and procedures.

For summer-born children only Lewisham Council will consider a parent's request to delay their child's entry to a community school until they reach compulsory school age and be admitted to Reception class rather than Year 1 with children of the same age range. This means that a summer-born child would not start school at all during the academic year after their fourth birthday.

Before deciding to request to delay your child's admission, you should first contact the school(s) you are interested in applying for. They will be able to explain the provision on offer to children in Reception class, how it is tailored to meet the needs of all children including those born during the summer months and how those needs will continue to

be met as children move up through the school. They may also be able to reassure you about any concerns that you may have about your child's readiness for school.

Each child's circumstances are considered on a case-by-case basis and a decision will be made in the best interests of the child.

One admission authority cannot be required to honour a decision made by another admission authority. Therefore, it is important that you seek approval to accept an application to delay your child's admission at all of your preferred schools before making an application. The admission authority is required to seek the views of the headteacher of the school concerned. You will receive a response in writing to your request before the primary national offer date setting out clearly the reasons for the decision.

If Lewisham complies with the parent's request to allow their child to participate in the admissions scheme late the parent will be required to agree that their child will transfer to primary school with the later cohort regardless of the outcome of their applications and had not participated in the transfer scheme the year before.

In cases described above parents must consider the implications of a delayed transfer as headteachers of primary schools are not currently required to continue to keep the child out of year group and may decide to later educate the child in the correct year.

Details on the process for requesting approval for delayed admission to community schools in the area are provided separately on Lewisham Council's website www.lewisham.gov.uk/admissions

Eligible children

Applications for children who permanently live in Lewisham and whose birthday is between 1 September 2012 and 31 August 2013 are eligible to apply to transfer to the Reception class in September 2017. Applications must be made to the applicant's home local authority. Children with an Education Health Care Plan (EHCP) should not apply through the co-ordinated admissions scheme.

Applying for early admission

In very exceptional circumstances we will consider a request for admission out of cohort for a younger child (i.e. for reception children this will be those born after 31 August 2013).

The application may be supported by the child's nursery/primary headteacher and/or an educational psychologist

providing evidence that the child is academically outstanding and sufficiently physically and emotionally mature to cope with the demands of primary/secondary school.

If Lewisham complies the parent's request to allow the child to participate in the admissions scheme early the parent will be required to agree that their child will transfer to primary/secondary school with the earlier cohort regardless of the outcome of their applications and will not qualify to participate in the planned admissions scheme the following year.

Parents must consider the implications of an early transfer as the schools are not currently required to keep the child out of year group and may decide to later educate the child in the correct year group.

Later admission

In very exceptional circumstances we will consider a request for a delayed admission for an older child (i.e. for reception this will be those born before 1 September 2012).

The application may be supported by the child's nursery/primary headteacher and/or an educational psychologist providing evidence that the child has learning delay or difficulty and their social maturity is well below that of his or her peers.

If Lewisham complies with the parent's request to allow their child to participate in the admissions scheme late the parent will be required to agree that their child will transfer to primary school with the later cohort regardless of the outcome of their applications and had not participated in the transfer scheme the year before.

In cases described above parents must consider the implications of a delayed transfer as headteachers of primary schools are not currently required to continue to keep the child out of year group and may decide to later educate the child in the correct year.

How the preference system works

You can apply for up to six schools on the application and you will be required to list the schools in preference order. Applying for fewer schools will not increase the chances of being offered a school you have applied for. It is very important to list the schools in the order you prefer them as this will be used by Lewisham later in the allocation of school places.

Parents will receive one offer of a school place on National Offer day. If your child qualifies for a place at

more than one of the schools you have applied for, your offer will be the school you have ranked the highest of those possible offers. If you cannot be offered any of the schools you applied for, Lewisham will offer you an alternative school place where there is a vacancy.

For example:

Child A has applied for six schools. The child does not qualify for a place at the first or second preference school but does qualify for a place at their third preference school. The third preference school is offered to the child on National Offer day. The fourth, fifth and sixth preference schools are 'settled' as they were ranked lower on the list. The child's name remains on the waiting list of their first and second preference schools only and the right of appeal will be given.

Child B has applied for six schools. The schools are oversubscribed and the child does not qualify for a place at any of them. Lewisham informs the parent of the outcome and their right of appeal. A place at a school in Lewisham where there is a vacancy is offered as an alternative.

Child C has applied for six schools and can be offered a place at their first preference school on National Offer Day. All of the other schools named on the list are 'settled'. The child has an older brother at their third preference school and, after national offer day the parent wants the child to attend that school instead. The parent has participated in the planned admissions round and secured a place at a higher preference school therefore they are not able to submit a further application or change the order of their applications until the start of school. The parent will need to complete an in year application in September.

Child D has applied for six schools all outside the borough but does not qualify for a place at any of them. Lewisham offers the parent a place at a school where there is a vacancy and their right of appeal. However the parent wishes for their child to attend a school close to their home which is oversubscribed and has not been able to offer all applicants a place. Child D is not able to apply for a place at the school close to their home until the start of school. The parent will need to complete an in year application in September.

How to apply

Applications for primary school places are made online via the London Grid for Learning's website www.eAdmissions.org.uk

When you start your application, the system will identify your home local authority from your postcode and your application will be sent electronically to that council when you submit your application. Please ensure your home address and postcode is accurate especially if you have previously made an application online for your children.

The deadline for applications is 11.59pm on 15 January 2017.

- The benefits of applying online:
- it is quick and easy to do
- the system helps you by checking for errors
- there is no risk that your application will get lost in the post or arrive late
- you can change your preferences of school up until the closing date
- your details are held securely
- you will receive an automated email from the eAdmissions website confirming receipt of your application including the schools you have applied for
- during the evening of 18 April 2017, national offer day, you will receive an email confirming the primary school your child has been offered.

Applications from residents living in new developments

If your address is not recognised by the eAdmissions website or you live in a new development please contact the Admissions and Appeals Team on 020 8314 8282 or email schooladmissions@lewisham.gov.uk.

Parental responsibility

Applications must be made by the adult who has parental responsibility for the child and with whom the child permanently lives. Only one application may be submitted for a child. Parents who share parental responsibility and where the child shares their time 50/50 with each parent will need to decide which of them will make an application for their child. If both parents submit an application but are unable to agree whose application is valid, the application made to Lewisham will be cancelled until it can be established where the child is

formally registered or until a court issues an order.

Stepparents, grandparents or other relatives do not have automatic right to claim parental responsibility. This should be acquired through a legal agreement or court order. For further information please see www.gov.uk/parental-rights-responsibilities.

Proof of parental responsibility.

When you submit your application you will need to scan and upload evidence of proof of parental responsibility.

- Please scan and upload a **copy** of your child benefit or child credit letter showing both your name and your child's name. If you do not qualify for these benefits you may send a copy of the long version of your child's birth certificate naming you as the parent.

You will need to apply using your child's full and formal name. Do not shorten the child's name or use nicknames.

Proof of permanent home address

Applications must be made from the applicant's permanent home address. This must not be a relative's, carer's, childminder's or business address.

When you submit your application you will need to scan and upload evidence of:

- Please send a **copy** of your current council tax bill, tenancy agreement or the current mortgage statement for the property,

Please do not send original documents as the Admissions Team do not have resources to return them.

Submitting your application

Once you have completed your application you will be required to click on the Submit button. Before you submit your application please ensure all of the information is correct including your home address and contact details. You will also need to:

- read the declaration carefully
- scan and upload your proof of parental responsibility and permanent home address.

Please do not send original documents to the Admissions Team as they do not have the resources to return them.

Unfortunately some applications are considered to be fraudulent as the application is not made by the person who has parental responsibility for the child or from an address that the child does not permanently reside at. If

Lewisham becomes aware that a fraudulent application has been made, it will be withdrawn from the admissions round along with any offer of a school place.

Supplementary information forms for primary schools

Some faith primary schools in the borough require you to complete their supplementary information form as well as naming the school on your application.

Each of these schools listed below will require you to submit a supplementary information form if you are applying for a place under the faith admissions criterion:

- All Saints' CE Primary School
- Good Shepherd Catholic Primary School
- Holy Cross Catholic Primary School
- Holy Trinity CE Primary School
- Our Lady and St Philip Neri Catholic Primary School
- St Augustine's Catholic Primary School
- St Bartholomew's CE Primary School
- St George's CE Primary School
- St James Hatcham CE Primary School
- St John Baptist CE School
- St Joseph's Catholic Primary School
- St Margaret's Lee CE Primary School
- St Mary Magdalen's Catholic Primary School
- St Mary's Lewisham CE School
- St Matthew Academy
- St Michael's CE Primary School
- St Saviour's Catholic Primary School
- St Stephen's CE Primary School
- St William of York Catholic Primary School
- St Winifred's Catholic Primary School
- Trinity Lewisham CE School

Supplementary information forms are available from the school direct or may be downloaded from the school's website and should be returned directly to the school by 15 January 2017.

Important dates

Important dates for the admission process for children starting primary school in September 2017.

Applications

Closing date for online applications Apply online at www.eadmissions.org.uk	Sunday 15 January 2017 at 11.59pm
Closing date for supplementary information forms (if required) To be returned direct to the school	Sunday 15 January 2017

Offers

Results for applications You will get an email after 5pm in the evening telling you where your child has been offered a place	Tuesday 18 April 2017
Deadline for accepting your offer Applicants must accept their offer online – please keep a record of your log in details	Tuesday 2 May 2017

Appeals

Closing date for appeals for community schools in Lewisham Admissions authorities of other schools may set the same or a later deadline	Friday 12 May 2017
Appeal hearings Appeals submitted after the closing date of Friday 12 May 2017 will not be heard until the start of the academic year in September 2017.	June/July 2017

Last year's application and appeals rates

The following table relates to the outcomes for community schools in Lewisham for the September 2016 admissions round made on National Offer Day 2016 under each admissions criterion. This information is provided as a guide only as the pattern of applications for admission in September 2017 is likely to differ.

For the 2016–17 intake all distances were measured in metres and using a straight line to a point in the school premises as determined by the Post Office.

* schools where there is an admission number in brackets are those that opened bulge classes.

For precise home-to-school measurements for schools in other boroughs please contact the council for that borough direct.

Name of school	Published admissions number (bulge class in brackets)	Number of applicants who named the school as one of their preferences	Number of places offered under each criterion							Successful appeals in the summer of 2015

Applying for a Reception place after the closing date

Missing the closing date

If you miss the 15 January 2017 closing date for applying, please call the Admissions and Appeals Team to discuss your reasons and how we might be able to help with your application.

Move into the borough or other reasons for not applying on time

Families who move into the borough after the closing date, or those who could not apply on time may be able to make a 'late for good reason' application. 'Late for good reason' applications must include evidence of why the application is late, such as evidence of a house move or a medical reason which prevented the parent from applying on time.

All other applications made after 15 January 2017 will not be processed until June 2017.

For further advice please contact the Admissions and Appeals Team.

Change of address before 18 April 2017

If you move home after submitting your application you must inform the Admissions and Appeals Team immediately.

If you submit an application on time and move home before 9 February 2017 you must contact the Admissions and Appeals Team to withdraw the application you originally made and you may make a new application from your new home address. If you move outside Lewisham you will need to apply to your new local authority.

If you move home after 9 February 2017 your application may be considered from your original home address. Any school place offered will be honoured, however if you accept the place you will be responsible for ensuring your child attends school regularly and is punctual.

Change of address between 18 April 2017 and your child's start at school

If you move home after you have had your offer of a place confirmed, the offer of a place will still be honoured but you must ensure the journey is reasonable and your child always arrives at school and is picked up on time.

If you no longer need a place in Lewisham, please let the Admissions and Appeals Team know in writing confirming

why the place is no longer required, including the full name and address of the school they will attend, so we can close the application and offer the place to another child.

Offers

If you applied on time using the online system, you will receive an email during the evening of 18 April 2017 informing you of your child's offer of a primary school place.

If you have not been offered one of your preference schools you will be sent written confirmation informing you of your child's offer of a school place.

Lewisham residents who cannot be offered a place at any of the schools applied for, will be offered a place at the closest school in Lewisham to the home address which still has a vacancy. Please be aware that this may be a faith or non-faith school.

Results will not be given over the telephone.

Accepting your offer

Online applicants are required to log into their account to accept their offer, so it is important to keep a record of your username and password.

If your applications are unsuccessful

If you are not offered a preference school, you will automatically be added to the waiting list for any schools you named as a higher preference than the school offered, providing the school is in Lewisham. Some local authorities may require you to apply for their school waiting lists separately.

Community schools in Lewisham continue to use their list until the end of the first term of the new school year (end of December 2017). If a vacancy becomes available, the admissions criteria will be used to decide which child is offered the place.

If you are on a waiting list for a school you applied for and you decide you are happy with the school you have already been offered, it is important to let us know. We can then remove your child's name from the waiting list and offer places to other children if they become available.

The planned Admissions round continues until the end of the academic year (July 2017). If an on-time application has been submitted, further applications cannot be made until September 2017 as an in year application.

Waiting lists from January 2018 to July 2018

Waiting lists will be held for the first (autumn) term only ie up until December 2017. Those wishing to apply for a reception class place beyond then will be required to make an in-year application.

Further information

The Department for Education offers further advice and information to parents on a wide range of school-related issues, including the school admissions code and school admissions appeals codes at www.gov.uk/dfes.

Appeals

Unfortunately not every child can be offered a school they have applied for and Lewisham has a duty to ensure that every child in the borough has been offered a school place.

If a child does not qualify for a place at one of the schools the parent has applied for, we will offer an alternative school. This may be a faith school, a non-faith school or a school outside the family's neighbourhood. There is no limit on how far a place can be offered, however we will aim to offer a place within two miles of the family home for a reception age child.

We would encourage parents to accept the school offered and not to decline as it cannot be guaranteed that a school of the parent's preference can be offered.

Before you decide whether to accept an offer please visit the school first and speak to the headteacher about the opportunities available to your child. All Lewisham's headteachers will be delighted to show you their school and assure you that your child can excel there. Accepting the offer will not affect any waiting list your child's name is on or any admissions appeal.

How to appeal

You have the right of appeal against the refusal of a place at any of the schools for which you have applied and not been offered. If you wish to appeal, you must contact the admission authority in the days after you receive your offer.

Lewisham is the admission authority for all of the borough's community schools.

If your child has been refused admission to a voluntary aided, foundation or free school, an academy, or a school in another borough you have the right to appeal against the decision too and you are advised to contact the school direct for advice on how to appeal.

For independent advice, you can contact ACE Education Advice. They have a telephone advice line on 0300 011 5142, Monday–Wednesday, 10am–1pm, or for further information visit www.ace-ed.org.uk.

Appealing online

You will be able to appeal for a community school in Lewisham online by logging onto our website and if you do not have an account you will need to register first. The form usually takes about 20 minutes to complete depending on the nature of your appeal.

www.lewisham.gov.uk/myservices/education/schools/school-admission/applying-to-start-primary-school/Pages/Primary-school-admission-appeals.aspx

Children and young people with special educational needs and disabilities

Most children and young people with special educational needs and disabilities can get the support they need in mainstream schools. However some children will require additional support via an Education, Health and Care plan. For these a different admissions process applies.

There are 7 mainstream primary schools in Lewisham that offer specialist resource provision. Each resource has its own admissions criteria based on the primary need. The schools with a specialist resource are:

Primary School	Primary Need
Athelney Primary School	Autism
Coopers Lane Primary School	Hearing Impairment Unit
Kelvin Grove Primary School	Autism
Perrymount Primary School	Physical
Rushey Green Primary School	Hearing Impairment Unit
Tidemill Academy	Speech, Language and Communication Needs
Torridon Infant and Junior Schools	Autism

For more information go to

www.lewisham.gov.uk/SENadmissions or contact the Children with Complex Needs Service on 020 3049 1475 or email sen@lewisham.gov.uk.
